		Norway	Lions Camp Stråndenga Environment	Strandenga, Biri	18-23	NONE	NOK	07-07-2020	07-22-2020	The camp will take place at Stråndenga, a beautiful campsite on the shores of lake Mjøsa. Through excursions, we will explore Mjøsa's role in the community. We will learn about the ecology of the lumber industry. From small plants to building materials. We will visit timber constructions, such as the building of the world's tallest wooden building. We encourage the participants to show and tell how environmental preservation is practiced in their home country. Nobody needs to be super fit, but we think the camp will appeal to those who love the outdoors - no matter the weather. Each day of the camp will offer a different approach. Our goal is that the participants return home with a bigger picture of how to care for the environment and each other. Please note that use of drugs and alcohol is prohibited.
