33 YEARS OF LIONS YOUTH EXCHANGE IN ESTONIA

The tradition of Estonian Lions YE and camp began in 1994. Since then we have hosted hundreds young campers from all over the world. The arrangement of the camp has been quite similar: after 10 days of stay at an Estonian family, where our way of living is being showed and practiced, they come to the camp to meet other patricipants and their culture. During the exchange, participants visit different historical places, famous sights and cultural events. Equally important is the camp life, where traditions are constantly evolving and participants have a change to add something for years to come.
